Privacy and Data Protection Policy

Document ID: PRV-DPP-008 | Owner: Privacy Office | Version: 1.8 | Effective: 2026-07-26

Personal data must be collected and used only for defined business purposes.

Policy principles:

- Use the minimum amount of personal data necessary
- Inform individuals about how their data is used
- Respect access, correction, deletion, and portability requests where required
- Share personal data only with approved processors and lawful bases
- Retain data only as long as needed for business or legal purposes

High-risk processing requires a privacy review and, when needed, a DPIA.

Data incidents involving personal data must be reported immediately to Security and Privacy.
